

Trick or Treat Checklist for Home Owners

Front Yard and Walkway Prep

- Clear walkways of obstacles like hoses, decorations, or loose stones.
- Use flameless candles or string lights to keep the area well-lit.
- Secure pets indoors to prevent them from getting loose or scaring trick-or-treaters.

Candy and Treat Safety

- Hand out store-bought, individually wrapped candy for hygiene and safety.
- Consider offering some diabetic candy option for children with diabetes
- Consider putting a sign out so that parents know that you have this option.

To Buy

- Walkway lights
- Candy
- Sugar free candy

Decorations

- Avoid decorations that could pose a tripping hazard, especially on walkways.
 - Use battery-powered lights in pumpkins instead of open-flame candles.
-
- ❖ Turn off porch lights when you are out of candy.
 - ❖ Enjoy kids of ALL ages who are out enjoying this holiday. Remember, growing up is hard.
